READ THE SOURCE. BUILD THE NOTEBOOK. BEAT THE TIMER.

GOVERNMENT JOBS ACTIVE CYCLE EBOOK

A **General** study pack rebuilt in the KarmSakha workbook style with source-safe notes, practice structure, and checked delivery rules.

HOW TO USE THIS BOOK

01

Read the trap

Know which old or unsupported claims must stay out of your final notes.

02

Learn the blueprint

Convert the source-backed structure into a notebook you can revise.

03

Beat the timer

Use the drill pages after every module and record mistakes honestly.

P1

SOURCE-CHECKED STUDY BLUEPRINT

GENERAL PACKS SHOULD USE OFFICIAL PORTALS AND AVOID
UNSOURCED DYNAMIC CLAIMS.

CORE LOGIC

CORE LOGIC

Source-backed study workflow for this product topic.

THE TRAP

Relying on a cached coaching summary when the official source has the final wording.

THE BLUEPRINT

Read the source, write the exact source label, then convert the stable points into practice notes.

WORKED EXAMPLES

- Use India Portal, PIB and other official sources for public information checks.
- Dynamic topics need date-stamped verification before final study use.
- Resume, interview and tool packs can use stable frameworks plus exact-notice checklists.

THE TIMED DRILL

- Source link tracker
- Topic map
- Practice log

SOURCE PACK

#	SOURCE	USE IT FOR	CHECKED
01	National Portal of India Official government portal	Government services, directories, press source discovery and public information checks	2026-06-20
02	Press Information Bureau Official government news source	Government press releases, policy announcements and current public-information checks	2026-06-20

SOURCE RULE

This workbook publishes stable study direction only. Dates, vacancies, eligibility, pattern changes, answer keys and exact paper claims must be written from the active official source before they are used in final notes.
